

# Professional Learning Information Evening

27 March 2008, Kohia Teachers Centre,  
Gate 2, Epsom Ave

Join us for refreshments at 4:00 pm  
Meeting finishes at 6:00 pm

Principals and leadership teams are invited to attend an information evening for schools who are planning teacher professional learning and development and are considering applying for available funding through ICTPD or EHSAS. At this meeting you will hear from principals and school leaders who are currently leading professional development clusters. Also discover how our experienced Team Solutions facilitators can work in partnership with your school.
